On Saturday, September 24, 2011 from 10:00 AM to 2:00 PM, the Livingston County Sheriff Department will be partnering with Huron Valley Safe Kids USA to host a free child car seat safety inspection event. Families are invited to have their child safety seats inspected at no cost by certified child passenger safety technicians. The event will be held at Lafontaine Automotive Group located at 4000 W. Highland Rd. Highland, Mi. 48357.

Research has shown that as many as four out of five car seats are installed or used incorrectly. Proper car seat installation reduces the risk of death by 71% for infants. The Sheriff Department will also offer a limited number of replacement car seats for those families that are unable to purchase seats due to financial concerns.

Members of the community who are unable to attend the event may have their child car seats inspected by technicians from the Livingston County Sheriff Department by appointment at a latter date. For more information on the event or to schedule an appointment please call 517-546-2440.
